TAILORMADE

THE SEWING FURNITURE SPECIALISTS

We know that having the right work station and configuration is important to you, which is why we have designed our cabinets with you in mind. All of our cabinets are designed with functionality and comfort, providing a quality product with exceptional value.

Choose from a range of sturdy sewing and craft furniture, available in 3 finishes to complement your home. Our range caters to all spaces and work areas with optional extras such as acrylic inserts to enhance your hobby experience.

Tailormade can help make your dream hobby space a reality.

Our cabinets feature:

- Recessed hinges for snag-free sewing
- Lockable castors to easily move and store cabinets
- Mechanical or gas lift sewing platforms
- Specialised storage options

OUR CABINETS

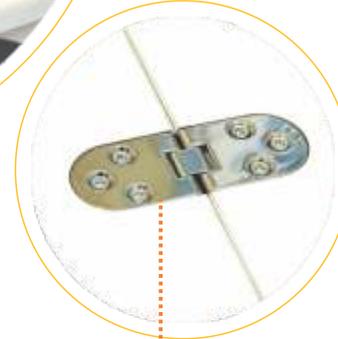

Mechanical and gas lifts make flatbed sewing a reality

Lockable castors

Purchase an acrylic insert for flatbed sewing

Recessed hinges

Gas lift platform

SEWING FURNITURE SPECIALISTS

At Tailormade, we specialise in sewing furniture. With our furniture, storage solutions abound through the use of specialised trays ideal for threads, bobbins, notions and even a place to hide your extra machine.

Many of our cabinets fold down for easy storage - perfect for those limited by space or wanting a multi-purpose room. Our modular Elements unit can be configured to create multiple setups and can be built upon to create your dream hobby room.

At Tailormade we know everyone is different, that is why we offer 6 sewing cabinets, a cutting table and storage unit to create the perfect setup for you. Ask your dealer about extra heights and left or right options!

WHAT IS A GAS LIFT PLATFORM?

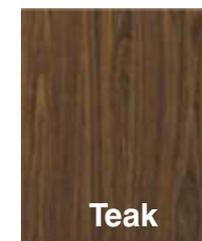

All of our fully assembled cabinets include sewing platforms with a gas lift that sets your machine to 3 adjustable levels. This means you can have the machine raised to the highest level for regular sewing or drop the platform to the second position for flatbed sewing. This requires the additional purchase of an acrylic insert that will create a flat surface and remove any gaps for the fabric to fall into - Why is this an extra? - There are hundreds of machines on the market all with different shapes and sizes, simply write down your model make and number and the insert is made to fit your machine perfectly.

The third position is to completely lower and stow your machine when not in use and can be covered using a wooden panel to create an even larger work surface.

WHAT ARE TAILORMADE CABINETS MADE FROM?

All of our cabinets are made of quality MDF with a wood grain melamine veneer to give a sturdy build whilst offering exceptional value. Available in 3 finishes including Teak, Beech and White you are sure to love your new hobby room.

ELEMENTS

Your setup
Your style.

The modular Elements system allows ultimate freedom to mix and match your perfect sewing room.

Perfect workstation

Create your perfect sewing room starting with the essential combination of sewing table, storage chest and drawers.

This modular unit is ideal for those short on space or for those who want to create the best setup to suit their needs. Simply add units to create more storage or sewing areas and alter their position to suit you and your space! Units sold separately - mix and match to create your ultimate sewing studio.

Sewing Table

The spacious sewing table has an adjustable machine platform with a mechanical lift, 58.5cm x 29cm for either free-arm or flat-bed sewing.
(W)120cm / 47.25" x (H)74cm / 29" x (D)50cm / 19.75"

Overlocker/Embroidery Cabinet

Works in perfect harmony with the storage chest. A sturdy and spacious table for overlockers and embroidery machines, with ample storage for all your equipment, materials and bits and pieces.
(W)80cm / 31.5" x (H)74cm / 29" x (D)50cm / 19.7"

Storage Chest

Hide your overlocker or works-in-progress with the storage chest. Its deep space will fit most overlockers and the open area underneath lets you store any extra bits and bobs.
(W)50cm / 19.75" x (H)74cm / 29" x (D)50cm / 19.75"

Sewing Drawers

Four-drawer storage allows quick access to essential hobby tools and supplies. Lightweight and removable, the trays can move around the room with you, creating an easy work flow.
(W)50cm / 19.75" x (H)74cm / 29" x (D)50cm / 19.75"

Cutting Table

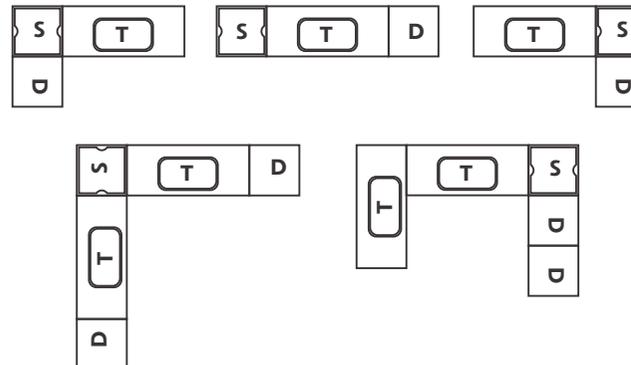

Sturdy and compact at a height of 92cm to minimise back fatigue. The large surface fits a 90 x 60cm cutting mat and features six adjustable open shelves with a large storage area under the easy-lift table top.
(W)100cm / 39" x (H)92cm / 36" x (D)62cm / 24.4" x (Base D)50cm / 19.7"

Large cutting surface with with storage space under the easy-lift table top.

Mix and match units to create your ultimate setup

CUTTING TABLE 87 CM

Cut in
comfort.

A Cutting Table is the perfect addition to any hobby room. Doubles as storage even when in the collapsed position.

A perfect addition to any hobby room, the cutting table provides a large stable work surface of 1.8m x 1m. The Tailormade cutting table is available at either 87cm or 95cm height to reduce back fatigue caused by bending. With its 4 fold out doors positioned magnetically, the Cutting Table is much more stable than other fold down tables on the market. Utilising this fold down design, you are ensured a tidy work area whilst providing quick access to the storage drawers and shelves. Not just for cutting, the large surface is ideal for preparation work and piecing with enough leg room to sit at either end.

Features:

- 4 storage drawers
- Lockable castors
- 87cm in height
- Sturdy
- Large cutting workspace

4 x storage tubs

Easily accessible storage with handy removable tubs.

A four drawer compact unit ideal for tidy storage of all your odds and ends. The 74.2cm height matches the sewing cabinets in the Tailormade range to ensure it fits seamlessly into your design. The lockable castors ensure the storage chest moves where you need it for quick access to your tools and notions. Includes four plastic trays that are easily removed and can be placed on your work area for even easier access to items. Simply sort your drawers into different stages of your work process. Ideal storage solution, add as much or as little as your work requires.

Features:

- Ideal addition for Gemini or Eclipse cabinets
- 4 removable storage tubs
- Lockable castors
- Extra workspace
